

V-TWIN MINERAL

HIGH PERFORMANCE 4-STROKE ENGINE OIL

DESCRIPTION:

Mineral based 4-stroke engine oil specifically formulated for V-Twin engines. Shear-stable formulation provides excellent film thickness and viscosity stability across all operating temperatures. Advanced, proprietary additive system with industry leading extreme pressure and anti-wear protection keeps your engine running clean, trouble-free and extends the life of the machine. Exceeds the requirements of API SL / JASO MA2.

FEATURES & BENEFITS:

- Formulated specifically for V-Twin engines
- Superior protection at any temperature
- Excellent clutch feel and clutch protection
- Shear stable formula maintains oil viscosity and film thickness
- Optimizes cleanliness while controlling oxidation and wear
- Exceeds API SL and JASO MA2 specifications

APPLICATIONS:

For all air and water-cooled V-Twin 4-stroke gasoline engines.
